

## Management Services at CommuniLux Productions

The **CommuniLux** staff has over 100 years of combined experience in show, concert, and event production and show management.

We have designed and fabricated shows for a variety of clients and venues all over the world. With our professional staff we can ship and install productions anywhere, anytime.

Our experienced production staff can manage all aspects of your event, from conception to implementation. From corporate theater to trade shows and special events, *we make it happen.*
